We are writing with regards to the Application for Official Plan Amendment (OPA 58) and Zoning by-law Amendment (ZBA -02-2022) for 10163 Goldcreek Drive Con 4N Lot 6 which we saw on the township website.

Since we own property kiddle corner to 10163 Goldcreek Dr., we are interested in the official plan amendment for this property. We have reviewed the application and do not foresee how it will have a negative affect on any neighbouring properties. Therefore we are in agreement with this application.

Thank you
