Marion Cabral, Planner Municipality of Middlesex Centre

10227 Ilderton Rd.

Ilderton, Ontario

NOM 2A0

I am writing with regards to the Notice of Planning Application signage at 10163 Gold Creek Dr. Komoka, which I looked up on Middlesex Centre's website. I have lived on my farm, my entire life and don't see any negative effect that this application will have on myself or any farm values/residential properties on this road.

Thanks for your consideration,

Stuart McLachlan
