

> Hello,

>

> We received the letter in the mail about the zoning bylaw amendment ZBA 04 2022. (possible building in front of arena) We are curious how many units going in?

>

> Also it looks to be a potential walk out patio on the second floor that would directly look into our backyard privacy space located at 6 Timberwalk trail (Lot 2). please state our concerns as we're not sure if we can attend the virtual meeting on may 18.
