

Meeting Date: June 15, 2022

Submitted by: Rob Cascaden, P.Eng – Director, Public Works and Engineering

Prepared by: Dan Anderson, Drainage Superintendent

Report No: PWE 27-2022

Subject: Tender Results – Ward Municipal Drain Construction Award

Recommendation:

THAT the construction of the Ward Municipal Drain be awarded to the lowest tender bid submission received from Van Bree Drainage & Bulldozing Limited in the amount of \$814,501.60 + HST.

Purpose:

To obtain Council approval of the tender award with regards to proceeding with the drainage works under the Ontario Drainage Act.

Background:

A Request for Drain Improvement was submitted to Middlesex Centre to request the improvement to an existing Municipal Drain under the Ontario Drainage Act.

By-Law #2022-020 was passed enacting the Engineer's report prepared by Brad Bunke, GM BluePlan for the drain design and cost estimate. The project proceeded to the public tendering stage with two tenders submitted.

Analysis:

The following tender results were received through a public tendering process and are listed as follows:

Contractor	Bid Price (w/o HST)
Robinson Farm Drainage Ltd	\$857,635.00
Van Bree Drainage & Bulldozing Ltd	\$814,501.60

Financial Implications:

GM BluePlan staff have reviewed the bid for compliance with the respective tender requirements and the lowest tender bid submission from Van Bree Drainage & Bulldozing Ltd. has been recommended to be awarded. The cost estimate for construction provided by GM BluePlan was \$881,800.00 + HST.

Strategic Plan:

This matter aligns with following strategic priorities:

- Sustainable Infrastructure and Services
- Responsive Municipal Government

The award of this tender will allow construction to proceed in order to provide the desired service level for the landowners. The tendered price provides good value for the required work and was under the Engineer's estimated cost.
