

Meeting Date: September 7, 2022

Submitted by: Heather Kepran, Communications Specialist, Tiffany Farrell,
Director of Corporate Services

Report No: CPS-39-2022

Subject: Budget Survey Results

Recommendation:

THAT Report CPS-39-2022 outlining the budget survey results be received for information.

Purpose:

To provide Council with information following the 2023 Budget engagement initiatives, specifically the budget survey published in summer 2022.

Background:

This year, the survey was launched June 30, 2022, to August 8, 2022. This report provides information on the completed budget 2023 survey.

Analysis:

The budget survey was posted to the Municipal website June 30, 2022, and the municipality received 345 responses (2021 – 207).

90.74% of respondents thought the services they received were either fair, good or excellent, compared to 89% last year.

Information obtained in the municipal survey will be included in the creation of the 2023 budget.

Financial Implications:

N/A

Strategic Plan:

This matter aligns with following strategic priorities:

- Responsive Municipal Government

This report responds directly to Objective 5.3– Foster a culture of innovation, continuous improvement, and cost-effective services by sharing information and gathering input, by continuing our timely and effective communication to the public.
