# Attainable Housing Review

Informative tool to assist in considering and addressing emerging issues and opportunities

## OBJECTIVES

Examine the needs  
across the entire  
housing continuum

Identify gaps in the  
provision of  
housing

Prepare a  
municipal strategy  
to meet current  
and future needs

# Scope

# Community Engagement

## First Round

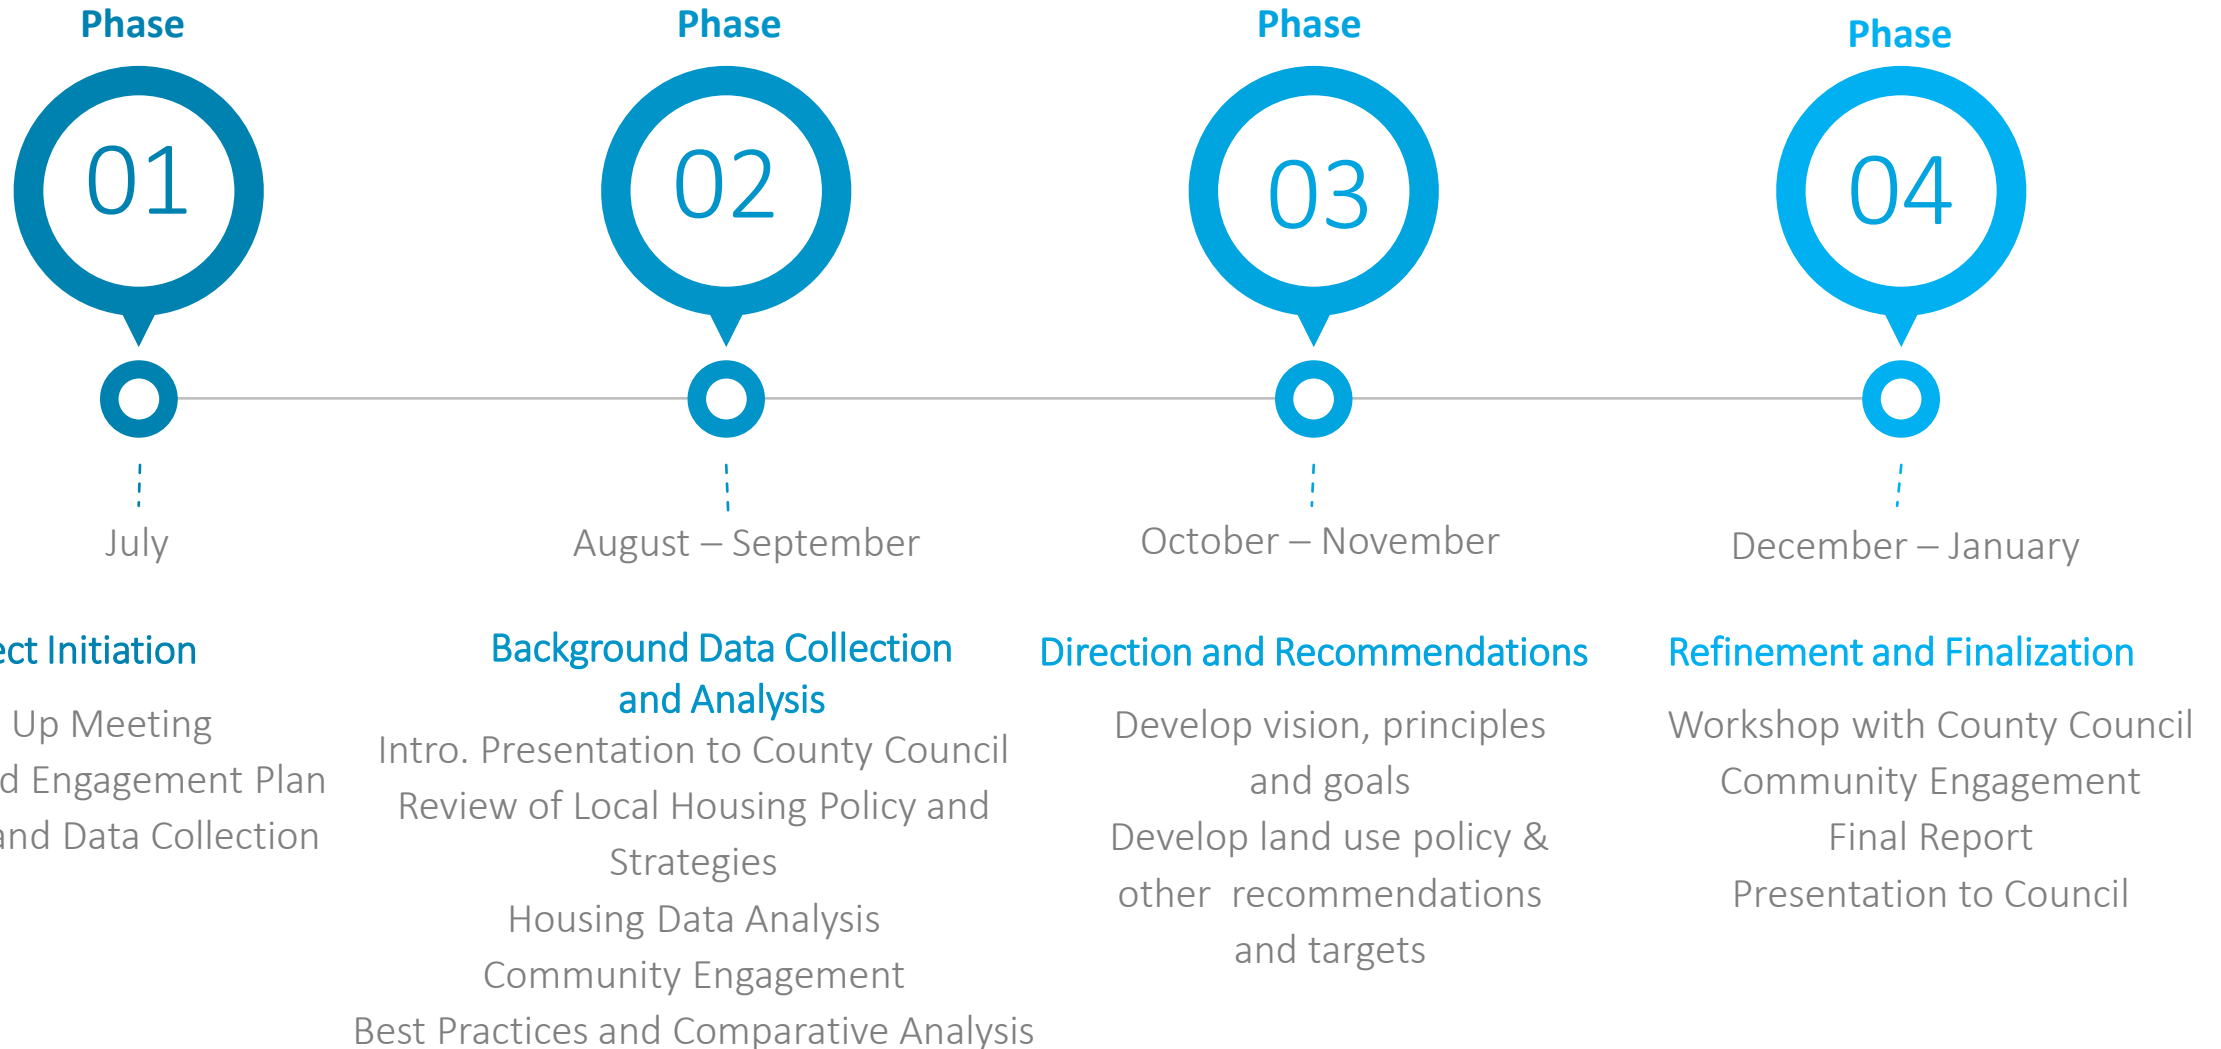

- Targeted virtual focus groups with key stakeholders
- Community survey with residents
- Community/public virtual round tables
- In-person engagement sessions with women and marginalized populations

## Second Round

- Workshop with County Council
- Community open house
- Online survey
- In-person engagement sessions with women and marginalized populations

# Phases and Timelines

# Discussion

What questions or concerns would you like to see addressed through the project?
