Dear Michael:

Re: 2023 ROMA Annual Conference, January 22 – 24, 2023

Thank you for participating in this year's ROMA 2023 Conference in Toronto. The session, "Decarbonizing the Ontario Energy System" was well attended and aligned well with the Conference theme, "Breaking New Ground."

The questions and interest in the session spoke to the importance and value of the topic and to ROMA delegates. Delegates benefitted from learning about the work that you have been engaged with Stanton Farms and left with more knowledge about the importance of working with the IESO and others around planning.

I hope that you enjoyed the conference and were able to attend some of the other sessions. It was a pleasure to work with you and am sure our paths will cross again soon.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "ACF.", is positioned below the text "Yours sincerely,".
