Report No: CPS-46-2022

Subject: Ontario Municipal Partnership Fund 2023

Recommendation:

THAT Report CPS-46-2022, re: Ontario Municipal Partnership Fund 2023 be received for information.

Purpose:

This report is to inform Council of the Municipality's Ontario Municipal Partnership Fund (OMPF) funding for 2023.

Background:

The Ministry of Finance each year provides municipalities with their Ontario Municipal Partnership Fund (OMPF) amount for the next year. This information was received November 9, 2022. Middlesex Centre's OMPF funding consists of the Rural Communities Grant and the Northern and Rural Fiscal Circumstances Grant.

Analysis:

Middlesex Centre's 2023 OMPF grant will be \$1,170,600. The amount for 2022 was \$1,291,800 therefore the funding has decreased \$121,200 over prior year (9.4%). The OMPF funding has been included in the draft budget for 2023.

Determination of the OMPF Funding:

The municipality received funding due to our rural and small community measure, our farm area measure and the northern and rural municipal fiscal circumstances index which provides our guaranteed level of support each year. Middlesex Centre's information is outlined in Attachment A1 2023 OMPF Allocation Notice - Middlesex Centre M – 3939.

Financial Implications:

2023 OMPF Amount \$1,170,600 included in the 2023 budget

Strategic Plan:

This matter aligns with following strategic priorities:

- Responsive Municipal Government

This report responds directly to Objective 5.3– Foster a culture of innovation, continuous improvement, and cost-effective services by sharing information and gathering input, by continuing our timely and effective communication to the public.
