

**Meeting Date: March 1, 2023**

**Submitted by: Eric Joudrey – Manager of Water and Wastewater Operations**

**Report No: PWE-09-2023**

**Subject: 2022 Middlesex Centre Performance and Annual Summary Reports**

---

**Recommendation:**

THAT the 2022 Annual Drinking Water System Performance and Summary Reports be received for information.

**Purpose:**

To Provide Council with the 2022 Annual Drinking Water System Performance and Summary Reports as required under the Safe Drinking Water Act (SDWA).

**Background:**

The Performance and Summary Reports were prepared in accordance with Section 11 and Schedule 22 of Ontario Regulation 170/03 under the Safe Drinking Water Act. We are required to prepare an annual report as outlined in Section 11 not later than February 28 and a performance report as outlined in Schedule 22 by March 31 for the preceding calendar year.

**Analysis:**

Included are the 2022 Performance and Summary Reports for the Systems of:

- Middlesex Centre Water Distribution which includes: Komoka-Kilworth, Ilderton, Arva, Ballymote and Denfield
- Birr Drinking Water System
- Melrose Drinking Water System

There are no concerns or issues that are outstanding or identified upon completion of the annual Performance and Summary Reports for the 2022 calendar year.

**Financial Implications:**

Not applicable.

**Strategic Plan:**

This matter aligns with following strategic priorities:

- Responsive Municipal Government
