

**Meeting Date: March 15, 2023**

**Submitted by: Rob Cascaden, P.Eng – Director – Public Works and Engineering**

**Prepared by: Andrew Giesen, C.E.T, PMP –Transportation Manager Report**

**Report No: PWE 14-2023**

**Subject: Tender Results for Load & Haul of Granular A**

---

**Recommendation:**

THAT Council receive for information report PWE-14-2023 Re. Tender Results for Load and Haul of Granular A;

AND THAT Council award the Load & Haul of Granular 'A' tender to the lowest tender bid submission received from Clarence Carter & Sons Ltd. in the amount of \$6.10 per tonne (excluding HST);

AND FURTHER THAT the Mayor and Clerk be authorized to execute the necessary contract documents.

**Purpose:**

To seek Council approval for the purchase of services and material for the load and haul of granular A from the municipal aggregate pit to municipal roadways. Pursuant to the provisions of the Procurement of Goods and Services Policy section 15 c) "If less than three (3) bids are received, the director or designate shall submit a report to Council for direction."

**Background:**

The purchase of materials and services for the load and haul of granular A was identified and approved by Council in the 2023 budget. In accordance with the corporate Procurement of Goods and Services Policy, tender RFT-PWE-2023-04 for load and haul of granular A was publicly tendered utilizing Bids & Tenders; an online portal that connects suppliers providing various goods and services to buyers from the Provincial, Municipal, Education, Crown Corporation, Housing, Construction and Healthcare sectors and Private companies from across Canada.

## Analysis:

Following the submission of bids on Wednesday, March 1, 2023, the tender submissions were downloaded from Bids & Tenders for review. The results of the tender submissions can be found below.

The following tender results for 2023 Load & Haul of Granular 'A' are listed as follows:

<b>Company</b>	<b>Bid Price per tonne (excluding HST)</b>	<b>*Total Bid Price (excluding HST)</b>
Clarence Carter & Sons Ltd.	\$6.10	\$274,500.00
Johnston Bros. (Bothwell) Ltd.	\$6.45	\$290,250.00

\*Estimated load and haul quantity is 45,000 tonnes of granular A

The 2023 load and haul of granular A will see approximately 45,000 tonnes of granular A loaded and hauled from the municipal aggregate pit and added to gravel roadways generally south of Ilderton Road.

Staff have reviewed the submissions for compliance with the tender requirements and specifications and found both tender submissions to be compliant with the tender specifications and requirements.

## Financial Implications:

The tender submission received from Clarence Carter & Sons Ltd. for the load and haul of granular A in the amount of \$ 6.10 per tonne (excluding HST) is recommended by staff for award and be funded from the Public Works and Engineering Department's approved 2023 Budget of \$315,000 for loose top maintenance.

The 2021 load and haul cost was \$4.90 (excluding HST) per tonne with a total cost of \$221,420.19.

## Strategic Plan:

This matter aligns with following strategic priorities:

- Sustainable Infrastructure and Services

The purchase of load and haul services will ensure timely and cost-effective application of maintenance gravel, ensuring residents have well maintained gravel roads that have proper granular base to support vehicle loading.
