

Meeting Date: November 15, 2023

Submitted by: Rob Cascaden, P.Eng – Director, Public Works and Engineering

Prepared by: Dan Anderson – Drainage Superintendent

Report No: PWE 44-2023

Subject: Steve Kennedy Drainage Petition

Recommendation:

THAT the Petition for Drainage submitted by landowner Steve Kennedy proceed;

AND THAT staff be directed to notify the affected landowners and appropriate agencies of the Council's decision to proceed with the drainage works;

AND FURTHER THAT following the notice to the appropriate agencies, Mike DeVos, P.Eng of Spriet Associates be appointed to prepare a Drainage Report for the creation of the requested Municipal Drain, all in accordance with the Ontario Drainage Act.

Purpose:

To obtain Council direction with regard to proceeding with drainage works under Section 4 of the Ontario Drainage Act.

Background:

A Petition for Drainage was submitted to Middlesex Centre to request an outlet for future field tiles. The requesting property is located on the west side of Hwy 4 and the topography shows the water on the east half of the field should go east to the Medway Creek. To install the outlet to the Medway Creek, the drainage outlet will need to cross Highway 4 and a property east of Highway 4.

Strategic Plan:

This matter aligns with following strategic priorities:

- Sustainable Infrastructure and Services
- Responsive Municipal Government

Moving forward with the petition showcases the Municipality's responsiveness to ensure the proper infrastructure is reviewed and in place to service our residents.
