

Meeting Date: February 21, 2024

Prepared By: Eric Joudrey, Manager of Public Works

Submitted by: Eric Joudrey, Manager of Public Works

Report No: PWE 06-2024

Subject: 2023 Annual Drinking Water System Performance and Summary Report

Recommendation:

THAT Report PWE-06-2024, re: 2023 Annual Drinking Water System Performance and Summary Report be received for information.

Purpose:

To provide Council with the 2023 Performance and Summary Reports for Middlesex Centre's Drinking Water Systems as required under the Safe Drinking Water Act.

Background:

The Annual Performance and Summary Reports were prepared in accordance with Section 11 and Schedule 22 of O. Reg. 170/03 under the Safe Drinking Water Act and requirements of the Municipal Drinking Water Licences. We are required to prepare an annual Report for each Drinking Water System and provide these reports to Council not later than March 31st for the preceding calendar year.

Analysis:

Enclosed are the 2023 Performance and Summary Reports for each of Middlesex Centre's Drinking Water Systems: Birr Water, Melrose Water and the Middlesex Centre Distribution System, which includes Arva, Ballymote, Delaware, Denfield, Ilderton and Komoka.

Financial Implications:

N/A

Strategic Plan:

This matter aligns with following strategic priorities:

- Sustainable Infrastructure and Services
- Responsive Municipal Government
