

Meeting Date: February 21, 2024

Prepared By: Dan Anderson – Drainage Superintendent

Submitted by: Rob Cascaden P.Eng – Director, Public Works and Engineering

Report No: PWE 08-2024

Subject: Dale Municipal Drain Request for Drain Improvement

Recommendation:

THAT the Request for Drain Improvement submitted by landowner Mike Dale proceed;

AND THAT staff be directed to notify the affected landowners and appropriate agencies of the Council’s decision to proceed with the drainage works;

AND FURTHER THAT following the notice to the appropriate agencies, Mike DeVos, P.Eng. of Spriet Associates be appointed to prepare a Drainage Report for the improvement of the requested Municipal Drain, all in accordance with the Ontario Drainage Act.

Purpose:

To obtain Council direction with regard to proceeding with drainage works under Section 78 of the Ontario Drainage Act.

Background:

A request for drain improvement was submitted to Middlesex Centre to request the improvement of the Dale Municipal Drain to bring it up to today’s drainage standard. The existing drain is currently undersized and not functioning as required. The drain was originally constructed in 1984 and services lots 10, 11 and 12 concessions 9 and 10 in the former Lobo Township (see attached map).

Strategic Plan:

This matter aligns with following strategic priorities:

- Sustainable Infrastructure and Services
- Responsive Municipal Government

Moving forward with the request showcases the Municipality's responsiveness to ensure the proper infrastructure is reviews and in place to service our residents.
