

Meeting Date: March 6, 2024

Prepared By: Dan Anderson – Drainage Superintendent/Technologist

Submitted by: Rob Cascaden P.Eng – Director, Public Works and Engineering

Report No: PWE 09-2024

Subject: Needham-Moir Drainage Works Request for Drain Improvement

Recommendation:

THAT the Request for Drain Improvement submitted by landowners proceed;

AND THAT staff be directed to notify the affected landowners and appropriate agencies of the Council’s decision to proceed with the drainage works;

AND FURTHER THAT following the notice to the appropriate agencies, Mike DeVos, P.Eng. of Spriet Associates be appointed to prepare a Drainage Report for the improvement of the requested Municipal Drain, all in accordance with the Ontario Drainage Act.

Purpose:

To obtain Council direction with regard to proceeding with drainage works under Section 78 of the Ontario Drainage Act.

Background:

A request for drain improvement was signed by a number of residents and submitted to Middlesex Centre to request the improvement of the Needham-Moir Drainage Works. The existing drain is undersized and in poor condition and the requesting landowners are looking to bring it up to today’s standards. The drain was constructed in 1971 and services Lots 7 & 8 in Concession 11 and Lots 8 & 9 in Concession 10 of London Twp (see attached map).

Strategic Plan:

This matter aligns with following strategic priorities:

- Sustainable Infrastructure and Services
- Responsive Municipal Government

Moving forward with the request showcases the Municipality's responsiveness to ensure the proper infrastructure is reviewed and in place to service our residents.
