2019-2023 Motor Vehicle Collision Data
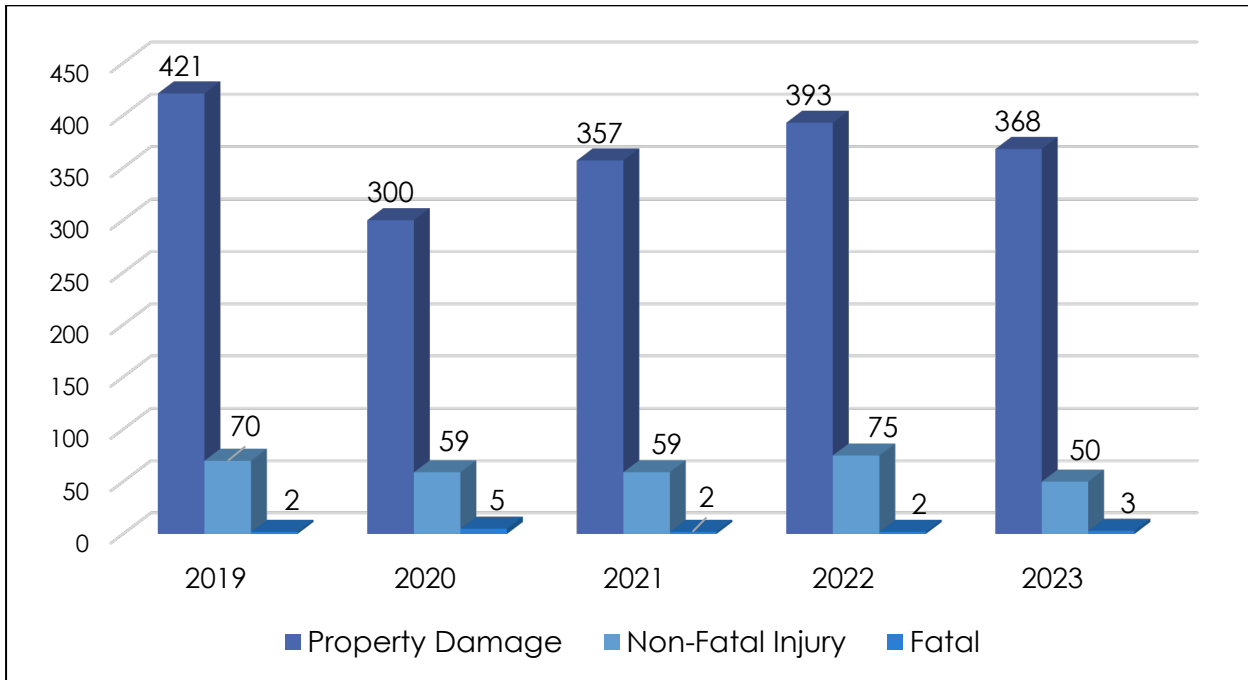

Conclusion
Data contained within this report is dynamic in nature and numbers will change over time as the Ontario Provincial Police continue to investigate and solve crime. Furthermore, motor vehicle collision data is sourced from the collision report system. Subsequently, information from the CRS contains data only on reportable collisions as defined by the Highway Traffic Act.

Methodology
Occurrence data relating to violent crime, property crime and drugs were extracted from the BI Cube, utilizing the built in PSB report. Unfounded occurrences were not included in the data set.

Data relating to total number of reported occurrences and traffic enforcement was extracted from OPP Niche RMS utilizing the requested reporting period and area code for Middlesex Centre Township (6188).

Reports were extracted for each municipality in Middlesex County, utilizing the respective location & area code. MVC data was extracted from the collision reporting system utilizing the following parameters:

Area Code: 6Q*

Date: Jan 01, 2019 – Dec 31, 2023.

Data was transferred into an excel document to facilitate further analysis.
