

Notice of Request for Drain Improvement

Drainage Act, R.S.O. 1990, c. D.17, subs. 78(1)

To: The Council of the Corporation of the Municipality of Middlesex Centre

Re: Link Municipal Drain
(Name of Drain)

In accordance with section 78(1) of the *Drainage Act*, take notice that I/we, as owner(s) of land affected, request that the above mentioned drain be improved.

The work being requested is (check all appropriate boxes):

- Changing the course of the drainage works;
- Making a new outlet for the whole or any part of the drainage works;
- Constructing a tile drain under the bed of the whole or any part of the drainage works;
- Constructing, reconstructing or extending bridges or culverts;
- Constructing, reconstructing or extending embankments, walls, dykes, dams, reservoirs, pumping stations or other protective works in connection with the drainage works;
- Otherwise improving, extending to an outlet or altering the drainage works;
- Covering all or part of the drainage works; and/or
- Consolidating two or more drainage works.

Provide a more specific description of the proposed drain improvement you are requesting:

The existing detention pond at the top end of the Link Municipal Drain was created in 1986 and is not able to handle the amount of water it is seeing today resulting in flooding. The downstream tile outlet of the pond is undersized and in poor condition exacerbating the upstream flooding of the pond area.

Property Owners:

- Your municipal property tax bill will provide the property description and parcel roll number.
- In rural areas, the property description should be in the form of (part) lot and concession and civic address.
- In urban areas, the property description should be in the form of street address and lot and plan number, if available.
