

Meeting Date: June 5, 2024

Prepared By: Dan Anderson – Drainage Superintendent/Technologist

Submitted by: Rob Cascaden P.Eng – Director, Public Works & Engineering

Report No: PWE 29-2024

Subject: Fisher-Watt Municipal Drain Tender Award

Recommendation:

THAT the construction of the Fisher-Watt Municipal Drain be awarded to the lowest tender bid submission received from A.G. Hayter Contracting Ltd. in the amount of \$95,298.50 + HST.

Purpose:

To obtain Council approval of the tender award with regards to proceeding with the drainage works under the Ontario Drainage Act.

Background:

A Request for Drain Improvement was submitted to Middlesex Centre under the Ontario Drainage Act.

By-Law #2024-009 was passed enacting the Engineer's report prepared by Mike DeVos, Spriet Associates for the drain design and cost estimate. The project proceeded to the public tendering stage with three tenders submitted.

Analysis:

The following tender results were received through a public tendering process and are listed as follows:

Contractor	Bid Price
A.G. Hayter Contracting Ltd.	\$95,298.50
McNally Excavating Ltd	\$96,600.00
Robinson Farm Drainage Ltd.	\$105,650.00
Van Bree Drainage and Bulldozing Ltd.	\$101,610.00

Financial Implications:

Spriet Associates staff have reviewed the bid for compliance with the respective tender requirements and the lowest tender bid submission from A.G. Hayter Contracting Ltd. has been recommended to be awarded. The cost estimate for construction provided by Spriet Associates was \$107,140 + HST.

Strategic Plan:

This matter aligns with following strategic priorities:

- Sustainable Infrastructure and Services
- Responsive Municipal Government

The award of this tender will allow construction to proceed in order to provide the desired service level for the landowners. The tendered price provides good value for the required work and was below the project estimate.
