

Meeting Date: February 26, 2025

Prepared By: Andrew Giesen, C.E.T, PMP – Transportation Manager

Submitted by: Rob Cascaden, P.Eng – Director – Public Works and Engineering

Report No: PWE 09-2025

Subject: Precast Culvert Tender Award

Recommendation:

THAT Council receive for information Report PWE 09-2025 re: Precast Culvert Tender Award;

AND THAT Council award the Precast Culvert Tender to Coldstream Concrete Ltd. in the amount of \$141,672.87 (Including municipal portion of nonrefundable HST);

AND FURTHER THAT the Mayor and Clerk be authorized to execute any necessary purchase agreements with Coldstream Concrete Ltd.

Purpose:

To inform Council of the tender results of the precast culvert tender.

Background:

In accordance with the corporate Procurement of Goods and Services Policy. Tender RFQ-PWE-2025-01 was publicly tendered via Bids and Tenders for the supply and delivery of two precast culverts and retaining walls.

Following the submission of bids on Thursday, February 12, 2025, tender submissions were reviewed.

Analysis:

Only two submissions were received for the precast culvert tender, the results of which can be found below.

Supply & Delivery of Two Precast Culverts and Retaining Walls

Supplier Name	Price (excl HST)
Coldstream Concrete Ltd.	C-159 16 Mile Road \$63,980.00
	C-575 McEwen Drive \$75,215.20
	Total \$139,195.20
International Erosion Control Systems	C-159 16 Mile Road \$75,786.99
	C-575 McEwen Drive \$89,553.80
	Total \$165,340.79

Staff are recommending the purchase of two precast culverts and retaining walls be awarded to Coldstream Concrete Ltd.

Pre purchasing of these critical items will result in lower culvert replacement costs, and an accelerated construction schedule ensuring that the culverts can be replaced in a timely and cost-effective manner.

Financial Implications:

All costs associated with the purchase of two precast culverts & retaining walls can be accommodated within the Council approved 2025 budget. 24-3117 Culvert C-159 16 Mile Road \$329,750, & 24-3124 Culvert C-575 McEwen \$385,634.

Strategic Plan:

This matter aligns with following strategic priorities:

- Sustainable Infrastructure and Services

Securing precast culverts and retaining walls will allow for the planned replacement of two deteriorated structures in a cost-effective and efficient manner which will minimize construction impacts and accelerate the construction schedule.
