

Meeting Date: April 8, 2026

Prepared By: Dan Anderson, C.Tech., Drainage Superintendent / Technologist

Submitted by: Rob Cascaden, P.Eng., Director of Public Works & Engineering

Report No: PWE-20-2026

Subject: McKellar Drain Trunk # 5 BA Extension Petition for Drainage

Recommendation:

THAT Report PWE-20-2026 re: McKellar Drain Trunk #5 BA Extension Petition for Drainage be received;

AND THAT the Petition for Drainage Works submitted by landowner proceed;

AND THAT staff be directed to notify the affected landowners and appropriate agencies of the Council's decision to proceed with the drainage works;

AND FURTHER THAT following the notice to the appropriate agencies, Mike DeVos, P.Eng. of Spriet Associates be appointed to prepare a Drainage Report for the creation of the requested Municipal Drain, all in accordance with the Ontario Drainage Act.

Purpose:

To obtain Council direction with regard to proceeding with drainage works under Section 4 of the Ontario Drainage Act.

Background:

A petition for Drainage Works was submitted to Middlesex Centre to request the extension of the McKellar Municipal Drain Trunk #5 BA upstream to the property at Concession 4 Pt Lot 10 Lobo Twp (10560 Melrose Dr.). The north portion of the lot is assessed into the watershed but has no direct connection as the Municipal Drain stops just south of Gold Creek Dr. The petitioner would like to be able to drain the north section of his property.

Strategic Plan:

This matter aligns with the following strategic priorities:

- Sustainable Infrastructure and Services
- Responsive Municipal Government

Moving forward with the request showcases the Municipality's responsiveness to ensure the proper infrastructure is reviewed and in place to service our residents.
