Re: Coldstream Middlesex Centre

Media Multi-Com is pleased to have the opportunity to earn your business by providing the following proposal for your audio/video requirements. Media Multi-Com is celebrating over 25 years in the South-Western Ontario market servicing sectors such as Institutional/Government/Commercial/Public and Residential. Some of our clients include City of London, London Health Sciences Centre, London Public Library, Thames Valley District School Board. We are recognized in the industry for our ability to custom integrate Audio/Video/Control systems as well as security and access control systems. These are only a few of the many services we offer that make us the provider of choice for so many businesses and institutions.

Scope of Work

The following is a system design based on a site meeting and information provided by Middlesex County representatives.

TOA conference system consisting of a central unit/ 1 chairman unit/13 delegate units/charging bays/14 rechargeable batteries.

Supply and install ceiling mounted projector that will display image on manual pull down screen that will be installed on the wall of the room. An Atlona presentation unit will allow moderators and presenters to show content on the projectors using laptops, tablets, smart phones.

Components

TOA TS-801 chairman unit x 1

TOA TS-800 central amp x 1

TOA TS-802 delegate unit x 13

TOA TS-904 mics x 14

TOA TS-907 transceivers x 4

TOA BP-900 battery x 14

TOA BC-900 charger x 1

Cabling

Installation/setup/training

\$21,232.00 + HST

Electrical contractor to supply and install all conduit, raceway, cable hooks, pipe, core drilling, boring, electrical back boxes and other components required to create a complete and unobstructed wire path to all locations, including pull string through studs, wooden structures or other structural members. Fire stopping and /or smoke sealing is not included in the above quotation and is to be completed by others. Electrical contractor to install power supply provided by Media, and ensure adequate A/C power is available for all components. Electrical contractor to provide adequate secure storage for components on site, at no cost to Media. Electrical contractor to provide Media Multicom personnel access to man lifts (if required), at no cost to Media. Electrical contractor to incorporate information provided by Media into shop drawing, O&M manuals and as-built drawings, and complete all submissions as required and is responsible for any permits (if required).
