Dear James Hutson

RE: 2021 Levy Assessment

On December 10th, 2020, the St. Clair Region Conservation Authority approved their 2021 General Operating Budget which is based on provincial & federal grants, general revenue and municipal levies. A copy of the approved budget is enclosed.

The Board also approved Schedule "A" dated December 10th, 2020, which apportions the matching and non-matching levy within the Authority's area of jurisdiction. Additional special levy projects for member municipalities will be addressed by separate letter.

Should you have any questions, please do not hesitate to contact this office.

Yours truly,

Brian McDougall
General Manager/Secretary Treasurer
