

Meeting Date: February 17, 2021

Submitted by: Eric Joudrey- Manager of Water and Wastewater Operations

Report No: PWE 05-2021

Subject: PWE 05-2021 Annual Water System Performance and Summary Reports

Recommendation:

THAT the 2020 Annual Drinking Water System Performance and Summary Reports be received for information.

Purpose:

To Provide Council with the 2020 Annual Drinking Water System Performance and Summary Reports as required under the Safe Drinking Water Act (SDWA).

Background:

The Performance and Summary Reports were prepared in accordance with Schedule 22 of O.Reg 170/03 under the Safe Drinking Water Act. We are required to prepare an annual performance and summary report for each Drinking Water System and provided these reports to Council not later than March 31st for the preceding calendar year.

Analysis:

Enclosed are the 2020 Performance and Summary Reports for the Systems of:

- Middlesex Centre Water Distribution which includes: Komoka-Kilworth, Ilderton, Arva, Ballymote and Denfield;
- Birr Drinking Water System; and
- Melrose Drinking Water System

Financial Implications:

N/A

Strategic Plan:

This matter aligns with following strategic priorities:

- Responsive Municipal Government
- Sustainable Infrastructure and Services
