### **ANALYSIS**

Building permit activity for the first half of 2021 has been generally consistent with previous years. New residential starts for 2021 total 4.

The introduction of Cloudpermit and Middlesex Centre's Building Division's processes appears to have been well received by the Township's residents and builders. Staff is currently drafting a new Building By-law to be taken to council this fall along with a building permit fee proposal. Fees paid to Middlesex Centre for inspection services over the first half total approximately \$23,900.

Further information pertaining to the first half building permit activity is outlined in Tables 1 and 2.

### **FINANCIAL IMPACT**
