AMENDMENT NO. 55

To the Official Plan of the Municipality of Middlesex Centre

PART A - THE PREAMBLE

1.0 PURPOSE AND EFFECT

The purpose and effect of the Official Plan Amendment application is to re-designate the subject property from the Agricultural designation to an Agricultural Special Policy Area designation to allow a second dwelling unit in an ancillary building (garage).

2.0 LOCATION

The subject property is a vacant parcel located on the east side of Carriage Road and on the north side of Sharon Drive. The subject property is legally described as Part of Lots 9 & 10, Concession 2 and Parts 1 to 9 on Reference Plan 33R17757 (geographic Township of Delaware), Municipality of Middlesex Centre.

3.0 BASIS OF THE AMENDMENT

Section 16(3) of the Planning Act authorizes Official Plans to contain policies that permit additional residential units and provides the following:

“An official plan shall contain policies that authorize the use of additional residential units by authorizing,

- a) the use of two residential units in a detached house, semi-detached house, or rowhouse; and
- b) the use of a residential unit in a building or structure ancillary to a detached house, semi-detached house or rowhouse.”

Additionally, Section 35.1 requires that council of each local municipality to pass by-laws under section 34 (Zoning by-laws) to give effect to the policies described in subsection 16(3).

The Provincial Policy Statement, 2020 and the County Official Plan require that prime agricultural land are to be preserved for agricultural and agricultural-related uses including a farm residence. The proposal is in keeping with the provincial and regional policy framework for development outside of settlement areas. The proposal is not expected to have any adverse impacts on agricultural activities in the area while allowing for a second unit in an accessory building in addition to the prime residential use on the property.

The Provincial Policy Statement, 2020 also includes policy regarding ‘Housing’ and the requirement ‘to provide for an appropriate range and mix of housing options and densities required to meet projected requirements of current and future residents of the regional market area’. Furthermore, Section 1.1.1 of the Provincial Policy Statement speaks to ‘Healthy, liveable and safe communities’ and how they can be sustained. Section 1.1.1b) states that ‘accommodating an appropriate affordable and market-based range and mix of residential types (including single-detached, additional residential units, multi-unit housing, affordable housing and housing for older persons), employment (including industrial and commercial), institutional (including places of worship, cemeteries and long-term care homes), recreation, park and open space, and other uses to meet long-term needs’.
