Good evening,

Please use this email as formal notice of our opposition for rezoning for the development of 6, 10, 14 Elmhurst Street. We oppose changing the zoning from Urban Residential First Density exception 3 (UR1-3)' to a new site-specific 'Urban Residential Third Density (UR3-x) zone.

The community streets cannot handle this much development within the existing neighbourhood. It will cause concerns of increased traffic, access/exit points, traffic safety within the neighbourhood, and increased school populations that would go to parkview elementary.

Thank you
